DETAILED ACTION

Drawings

1. The drawings were received on September 17, 2007. These drawings are approved.

Allowable Subject Matter

2. Claims 23-43 are allowed.
3. The following is an examiner's statement of reasons for allowance: This invention deals with a string device comprising a passive structural core element, wherein the core element had an outer surface with at least two tracks arranged on the outer surface, wherein the longitudinal elements are accessible from the outer surface of the string device (claim 23). The above stated claim limitations, in combination with other claim limitations, is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Response to Arguments

4. Applicant's arguments filed September 17, 2007 have been fully considered and they are persuasive. Specifically, the applicant argument that none of the cited
